

NALS OF PHILADELPHIA

PRESENTS
LUNCH-n-LEARN

The Opioid Epidemic

December 11, 2018
12:30 pm – 1:30 pm

Reed Smith LLP

Three Logan Square
Conference Room "G"
Philadelphia, PA

Presented by

**William Brennan,
Esquire**

Brennan Law Offices

Every day, more than 115 people in the United States die after overdosing on Opioids. The epidemic crisis is rapidly increasing in the use of prescription and non-prescription opioid drugs and is becoming a serious national crisis that affects our public health, as well as social and economic welfare.

William Brennan will educate us on how to identify a substance use disorder, resources available to those struggling with addiction, and ways to engage active substance users.

If you would like to attend (space is limited), please respond to:
