## LUNCH-N-LEARN

### *Social "In" Security* Understanding the Social Security Administration

**Tuesday, November 13, 2018 – 12:30 – 1:30 p.m.**

#### Guest Speaker

**Todd M. Berk, Berk Law Offices**

**Objective:** In the session, Mr. Berk will talk about the definitions of the various Social Security Administration (SSA) programs; how the whole process works; and what happens when you finally get to Court. While it's understandable to be skeptical about your chances of being approved for Social Security Disability (SSD) or Supplemental Security Income (SSI), Mr. Berk will explain the possibilities. He will give you a better understanding of the definition of disability per the SSA and define the characteristics on which the SSA relies in deciding benefits. In addition, Mr. Berk will also discuss how you can pursue benefits for a medically disabled child.
