To Whom it May Concern,

Thank you for your most recent gift of \$640.15 to Covenant House Pennsylvania. Your donation was gratefully received on September 9<sup>th</sup>, 2016.

Every year more than 2 million kids will feel what it's like to be homeless in America. This proves that your support is crucial, as you help make it possible for us to live by our mission to diligently "*serve the suffering children of the street*" and to provide them with an array of services needed to end their cycle of homelessness. Covenant House is the largest privately funded child welfare agency in the Americas, so we can assure you that your generosity makes a difference in the lives of our youth.

Romel lives at Covenant House and is working hard to receive his high school diploma and is participating in an intern program. He regrets not having come sooner, but he says: "You have to start somewhere." Our staff continues to be impressed by his hard work and dedication – though after hearing his story, we know it's been there all along.

With the help of our resources and support from people like you, Romel will take himself far.

Thank you again for your dedication to help us put a stop to youth homelessness in Pennsylvania. We cannot do this work without you.

Warm Wishes,
